175 Years of Excellence

THE LAST BOSTON ENGLISH AND BOSTON LATIN COMBINED FOOTBALL TEAM -- 1885

This April we are rehonoring, "175 Years of Excellence" with a giant anniversary celebration at the Park Plaza Hotel on April 25, 1996. All alumni, relatives, spouses, children and friends are welcome. We expect to fill the Grand Ballroom with over one thousand (1,000) celebrants. There will be a catered dinner, music, dancing, and sharing of memories. This is a wonderful opportunity to meet old friends and classmates and show your support for a great school.

November 23, 1995

Dear Students, Parents, Alumni and Friends,

The English High School has defeated Boston Latin only two times in the last 29 times they have faced each other. In 1966 English won 20-18 and again in 1981 by a score of 12-2. Without doing too much math, Latin scored over 30 points in nine of those games amassing a total of 347 points while The English High School's total points scored for those same nine games was 26. Talk about lop-sided results.

Yet, if you asked me as headmaster would I favor an altered schedule that did not pit Latin against English, I would scream, "NO!" There are two reasons why the game must continue.

First, we are talking tradition, and we do not let reality destroy tradition. Traditions are important, they anchor us in time, they give authority to an event, they engender pride and they are fun.

Secondly, the pendulum that is time swings one way and eventually the other. The English High School will win again, maybe not today, maybe not tomorrow, but soon... (to borrow a line from Casablanca) and when it does the taste of victory after so many defeats will be ambrosia. That unnamed and indeterminate team deserves that special moment, a moment of glorious youthful victory that will last a lifetime.

I wish both teams good luck today, but I would prefer the Fates give English the edge.

Sincerely,
Gerald L. Sullivan

HEAD MASTER'S MESSAGE

Thanksgiving is a time for family and friends to come together and renew the bonds which are near and dear to each of us. Thanksgiving is also a time to rekindle the traditions of old. The Latin-English game is part of the long tradition of two outstanding secondary schools. We welcome all of you who return today to witness and participate in the renewal of this spirited rivalry. To the players of both teams, I wish you success. To the Cheerleaders, Pep Squad and Football Band, I thank you for your support during the season. To Head Master Sullivan and his staff, I congratulate you for your outstanding effort in preserving the traditions of the English High School. To all of you, I wish you continued good happiness and peace.
